

Business for Peace: A UK launch of the UNGC's Business for Peace platform

Old Mutual, 2 Lambeth Hill, London, EC4V 4GG

24 June 2014 | 13:30 – 17:30

The UN Global Compact's Business for Peace Platform (B4P) was launched in 2013 to assist companies in implementing responsible business practices in conflict-affected and high-risk areas, and to catalyse collaborative practical action that advances peace by leveraging business influence on the workplace, marketplace and local communities. This event will explore how the B4P platform can support UK-based companies and investors with interests in challenging regions.
